Dr Daniel Hansen

Daniel advises both private and public principals and contractors on the drafting of contracts and project implementation in the construction and real estate sector. One focus lies on advising and drafting contracts for construction projects and representing clients in court proceedings. He also specializes in advising on architects' and engineers' law, project development and project management law as well as commercial lease law.

Curriculum vitae

- Law studies at the University of Münster and the University of the Antilles and Guyana, 2013 to 2020
- Research assistant at Kapellmann und Partner, 2019 to 2021
- Freelancer at a university of applied sciences, 2020 to 2021
- Legal clerkship at the Regional Court of Aachen, including positions at a German diplomatic mission abroad, an international commercial law firm specializing in trial and litigation, and an international company in the food sector, 2023 to 2025
- Lawyer at Kapellmann since 2025
- PhD candidate on a topic in project management law
